

GO AND DO

Luke 10:37

Underground Observations

The believers in the underground churches were taught about being exiles (1 Peter 3:14-18).

Their thoughts:

"We can't share our thoughts easily with others. We must suffer first for it."

"It's not bad to be an exile--it means I have a deep relationship with God."

Underground House Calls

Underground Observations

It is humbling to hear from the hearts of underground brothers and sisters in Iran. What they say about Yeshua, their faith, courage and love for others is inspiring. Their words reflect what they have learned and how they have changed since meeting Yeshua.

14 year-old: "When someone is not kind to us, we can be kind to them. We can forgive others like Yeshua forgave us. Love like Yeshua."

Woman leader: "Always bring fruit--anytime and anywhere. If police grab me, I will get fruit in jail."

12 year-old: "Age isn't important--you can love Yeshua, bring fruit, love neighbors at any age."

Welcome, David!

Go and Do is happy to have added another Bible teacher. David has begun teaching and sharing the Bible with his brothers and sisters in Christ in Iran and they love him! Soon we will be needing more Bible teachers as the underground churches continue to grow. Please be in prayer and ask for the Holy Spirit's guidance to see if He would like you to share with the churches in Iran.

I AM

The words "I AM" show up in the Bible more than 300 times. The first time is in **Genesis 15:1** and the last time in **Revelation 22:16**. In Genesis, Yeshua says "I am a shield to Abram." In Revelation, Yeshua says "I am the root and the offspring of David, the bright and morning star."

In **Exodus 3**, Yeshua appears in a burning bush to Moses and told him to get to Egypt and free the Israelites. Moses said "Who shall I say sent me?" **Exodus 3:13-14** "Then Moses said to God, Behold I am going to the sons of Israel, and I shall say to them, The God of your fathers has sent me to you. Now they may say to me, What is His name? What shall I say to them? And God said to Moses, I AM WHO I AM; and He said, This you shall say to the sons of Israel, I AM sent me to you."

I AM WHO I AM.

2,000 years before Yeshua appeared to Moses, Anunnaki (name means "who is he?") is the most powerful god of the Sumerians. Anunnaki might have had big questions about who created everything and because of that, he introduced himself as Anunnaki, which means "who is He?" He hoped by this name maybe one day someone would find the answers to who created everything. Egyptians worshipped Anunnaki as well and he was one of the main Egyptian gods. That's why when Moses asked Yehovah what I should say to the Pharaoh, King of Egypt, Yehovah said to Moses, "tell them my name is "I AM." Actually by introducing Himself by "I AM" Yehovah even answered to all Egyptians that the one that you worship Anunnaki was looking for me, too.

In the Gospel of John, Yeshua mentions He is "I AM" seven times.

Who is He Who lived and died to take away my sins?

I AM.

Please feel free to let others know they have an opportunity to join us as we Boro va anjam bede.
